Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Advancing the development of a seismically resilient runway at PDX in fiscal year 2022.

The entity to receive funding for this project is Port of Portland, located at 7200 NE Airport Way, Portland, OR 97218. The funding would be used to support the design and development work necessary to create a seismically stable south runway at Portland International Airport.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Earl Blumenauer".
